From Tueſday, February 23. to Thurſday, March 4. 1730-31.

PARIS, Octob. 7.

FRom Roan they write, that a young Lady being poſſeſs'd of a ſmall Matter of the old Species, they were ſeized, and ſhe her ſelf was cited to appear before the Judges of the Mint at Rheims. During the Proceſs, the good Biſhop waited on the Lady, with a pious Intention to debauch her Principles; for which purpoſe he followed in ſome Meaſure the Example of the D---l, when he carried our Bleſſed Saviour up into a high Mountain. His Lordſhip offered her all her Money, and to exempt her from any Fine in this World, if ſhe would receive the Pope's *Bull*. But the young Gentlewoman anſwer'd the Biſhop with great Reſolution, *That if he would give her all the Kingdoms of the Earth, and the Glory of them*, ſhe would take none of his *Bulls*; at which the Biſhop left her in great Confuſion, and the Lady afterwards got her Proceſs, with Coſts of Suit.
